Plans for the Montessori Summer Camp are now in progress. We will begin on Monday June 13th and end Friday August 5th. The hours will remain the same as the regular school year for the month of **June**, except for **Friday** when camp will close at 11:30 AM.

In **July**, we will have a regular morning camp and an afternoon extension program until 2pm. The afternoon is designed to continue the creativity in your child with activities to stimulate and discover the talents your child has and will pursue in the future. The sign up can be on a daily or weekly basis in the afternoon as part of our creative kids program.

The summer camp program is designed around a weekly theme, where the children will be involved in many diverse indoor/outdoor activities. Concepts will be presented to the children through literature, dramatic play, science, arts and crafts, painting, music and water play. Occasional special guests and entertainment will visit the Montessori Camp throughout the summer to reinforce and enhance the important themes presented.

The summer staff are the same experienced teachers on staff at the Montessori school throughout the year. These teachers will provide a safe, nurturing and supportive environment where enthusiasm, individual learning styles and curiosity are encouraged. We will continue to follow the Montessori philosophy of learning through play and natural curiosity with mutual respect for one another in a structured mixed aged environment.

If you would like your child to participate in this program, please complete and return the attached registration form to guarantee a place. We look forward to the beginning of another successful camp season with your child.
